

**RIDER BACKREST  
for  
STOCK HARLEY ONE PIECE SEATS**

**Electra Glide/Ultra  
Street Glide/Road King/Road Glide/Ultra**

**All models 2008 and up**

**Install kit**

**Fender mount bracket**

**Removal of Stock Seat**

1. Remove the strap and rear fender bolt from seat.
2. Slide seat back and up to remove.

**Install your new backrest**

Remove the two nuts from the rear fender bolts (7/16 " wrench)  
Place the backrest bracket over the two bolts with the rubber pads to the rear.

If you have grab rails installed our bracket goes on top.

Replace the two nuts and secure properly.

Install the seat and secure the rear fender bolt.

Slide the backrest post through the seat slot and into the fender bracket.

**You will see a groove in the backrest post, there is a spring-loaded  
plunger inside the mount bracket that clicks into the groove.**

Adjust the forward/back position to suit with the adjustment screw on the front.

Enjoy the ride again with your Ultimate Seats backrest.
