

DRIVER BACKREST for STOCK HARLEY ONE PIECE SEATS

Freewheeler - All model years

Install kit

Backrest mount bracket

Bolts and washers 1/4" x 20 x 3/4" long = 2

Removal of Stock Seat

1. Remove the rear fender bolt from seat.
2. Slide seat back and up to remove.

Install your new backrest mounting bracket

1. Place the backrest bracket over the two threaded holes in the frame.
2. Install the two new supplied bolts with washers through the bracket and secure.
3. Install the seat.
4. Slide the backrest post through the seat slot and into the backrest bracket.
You will see a groove in the backrest post, there is a spring-loaded plunger inside the mount bracket that clicks into the groove.
5. Adjust the forward/back position to suit with the adjustment screw on the front.

Enjoy the ride again with your Ultimate Seats backrest.
