

Kawasaki Vulcan Classic 1600

2003 - 2008

Nomad 1600

2005 - 2008

Ultimate Seats Installation

Installation Kit

1 bolt 6mm x 25mm

1 spool

1 hex key 4mm

Removal of Stock Seats

1. Remove the rear fender bolt from the passenger seat.
2. Slide back and up to remove.
3. Remove the passenger seat locating bracket from the rear fender and store, no longer needed.
4. Remove the rear rider seat bolt, no longer needed.
5. Slide rider seat back and up to remove.

Install your new Ultimate seats

All the mounting brackets are already installed on your Ultimate seats

1. Install your new Ultimate rider seat by locating the front seat bracket under the tank locater and install the new supplied bolt and spool.
2. The supplied spool must be bolted on top of the rider seat rear bracket to secure the seat.
3. Now install your new passenger seat by placing it on the rear fender and slide it forward until the front bracket locates into the spool and then reinstall the stock bolt into the rear seat bracket.

Enjoy the ride again on your Ultimate Seats.
